FOR
NATURE-BASED SOLUTIONS STUDY AND
DESIGN SERVICES**

ADDENDUM NUMBER 1

Section V. Proposal Submittal Requirements is amended as follows:

Proposed Compensation – The cost proposal shall identify the Consultant's:

- Hourly rates by positions
- Direct expenses (i.e., travel, high-end computer use, printing, etc.)
- Other costs not identified above
- ~~Estimated labor hours and expenses by task for Phases 1 and 2 of each project~~

~~The cost proposal and any other compensation information shall be submitted as a separate document, clearly marked as the cost proposal. Cost proposals will be considered sealed and will not be reviewed as part of the qualifications-based selection process.~~

Section IV. Selection Criteria is amended as follows:

Criteria for selection will include but not be limited to the following:

- Qualifications and relevant experience of Consultant team, including breadth of expertise
- Understanding of the project
- Approach to providing services
- Demonstrated experience with similar projects
- ~~Cost-effectiveness~~
