¹Definition of a Classic Member -A classic member is defined as:

- An existing member of a California public retirement system as of December 31, 2012. Please note, however, that because new member determination is based on an appointment-by-appointment basis, upon appointment, new hires will be required to self-certify their classic member status by submitting a form that tests against the new member definition and which may ultimately result in a change in status to new member.

²Definition of a New Member -A new member is defined as any of the following:

- A new hire who is brought into a California public retirement system membership for the first time on or after January 1, 2013, and who has no prior membership in a California public retirement system.
- A new hire who was an active member of a California public retirement system and who, after a break in service of more than six months, returned to active membership in that system.
